## Connecticut Chapter of ASLA Announces 2015 Professional Award Winners

The Connecticut Chapter of the American Society of Landscape Architects (CTASLA) has announced the winners of its annual **Connecticut Professional Awards** competition. CTASLA conducts the awards competition each year to recognize excellence in landscape architectural design, planning and analysis, communication, and research. To be eligible, an applicant must be a landscape architect or designer in the state of Connecticut, and the entrant or project location must be based in Connecticut.

"These award-winning projects exemplify Connecticut landscape architects' skills in designing beautiful spaces that add value to the land, encouraging people to get outside and explore their surroundings while protecting habitat and natural resources," said Barbara Yaeger, president of CTASLA and principal of B.Yaeger, LLC, of Madison, CT.
