- Sponsors will be offered a 500 X 300 pixel area for their ad or image (i.e., logo or product promotion); note: artwork will appear in two-column format (as in above image) for desktop readers, but will fill horizontal space for readers who view their email on smartphones.

- Artwork may be updated once a month for longer-term insertions.
- Insertion order is based on number of runs, not calendar month (newsletter published approximately every other week); insertions will begin in next available issue and will run in subsequent consecutive issues (no "leapfrogging").
