Schedule:

4 pm Grab some snacks & beverages - join us out in the gardens for some cornhole, putting or relax and network by the fire. Then move inside to the spacious indoor show and tap room for educational sessions.

4:30 Shaun Huggins, Regional Sales Manager for Ray Murray Inc., will present:
‘Playing with Fire: Creating Warm & Happy Customers’.

Shaun will explore the world of gas ignition systems as it pertains to gas fireplaces and fire pits, design considerations, and how this will lead to long-time happy customers. He will highlight the essential safety considerations, such as proper ventilation, appliance clearances and media placement.

5:30 Bob Isleib owner of RLI Electric and a licensed electrical contractor will present:
‘Outdoor Lighting’

This presentation will cover a basic overview of landscape lighting, fixture types, design intent, electrical code and safety.

6:30 More fun and food & CTASLA’s Rapid Fire Cornhole Championship!
